# Induction Programme for the Newly Appointed Faculty

Dear Sir/Madam,  
According to the direction of His Grace Rt. Rev. Dr Abraham Mar Paulos (Manager), St. Thomas College, Kozhencherry, and as per the Guidelines of UGC and NAAC, we are organising an induction programme for newly appointed teachers with less than five years of service in the college. The programme will be held at TMAM Orientation and Research Centre, Manganam Kottayam, from 29th April to 1st May 2022.

His Grace Rt. Rev. Dr Abraham Mar Paulos will be present to provide valuable guidance at the workshop. You are instructed to be present in the workshop, and we seek your valuable input to frame the academic and co-curricular activities of our college.

With warm regards

**Dr Roy George K**  
(Principal in Charge)

## Objectives:

- 1 Study National Education Policy 2020 in detail.
- 2 Mark the historical development of St. Thomas College, Kozhencherry, as a Higher Education Institution.
- 3 Empower the faculties to realize the values we want to nurture in the campus and society individually and collectively.
- 4 Visualize the future development of the institution in the context of NEP.6
- 5 Constitute a team for a twenty-year action plan (TAP) for the institution.

**Organizing Committee**  
**George K Alex (IQAC Coordinator)**  
**Tom Thomas, Annie George,**  
**Libus Jacob, Shinu Koshy,**  
**Lini K. Mathew, Justine Thomas**  
**Tania Thomas**  
**Johny John**

## The Changing Landscape of Higher Education in India

With the enforcement of the National Education Policy-2020, India is expected to be transformed dramatically. The Aided stream of education will be forced to alter drastically. Philanthropic institutions will appear and may contribute much to the development of the educational system. The sweeping, ideological, structural and administrative changes may produce unpredictable changes in the economic and social fabric of the country. A keen study of the NEP, provision by provision, clause by clause, is warranted, by the time it gets implemented, to reimagine our context, strategies, and our commitments to the community. This is, in a nutshell, the context in which we are inviting you to engage with the crux of NEP under the title: "The Changing Landscape of Higher Education in India."
